Restart and Reentry for September 2020:

Today is the final day to indicate your instructional preferences for the 2020-2021 school year. Please respond if you have not done so already.

This past Wednesday (8/12) the Governor reaffirmed his position that schools should reopen to in-school instruction starting in September, but provided a new flexibility that was not previously available. He indicated that school districts could start 100% virtual if they have concerns meeting the safety requirements outlined in the NJ Department of Education guidance. Our district does have concerns in this regard. Our Board has called a special meeting for this Monday night to discuss these issues and to approve a new revised Reentry Plan. We will promulgate any changes to you following the meeting.

Next Two Weeks:
