

Dear Parents/Guardians,

I provide two flyers of interest, one of which is time sensitive.

Flyers:

As part of the Mayor's Wellness Campaign, our families may enjoy a night of baseball watching the Blue Claws with Freehold Borough friends and neighbors. Be sure to stay for the fireworks. Click on this link to purchase tickets <https://fevo.me/3A2Dgpy> The game is on Friday, July 30th at 7:05 and tickets must be purchased by this Friday July 23rd. Details [here](#).

As a follow up to the last Superintendents blast, attached is information for parents to sign up for the YMCA Before and After Care at Freehold Learning Center. This program will only run if there is sufficient parental interest, so signing up early is strongly recommended. Information in English [here](#); in Spanish [here](#).

Thank you.

Rocco Tomazic
Superintendent
