Reentry Plan for September 2020:

The district Reentry Committee is developing the plans to resume some form of in-school instruction starting September 8th per guidance from the NJ Department of Education. There are many options and variables. We are at a point where we need to have input from our parents, students and community members. To that end, we request your participation in our online survey and ask for all inputs to be completed no later than Monday, July 20th.

In Spanish: <https://forms.gle/SHPTZrAbx3mrehtV7>

We expect to have the Freehold Borough Reentry Plan completed and ready for public review no later than Friday, August 7th.

Even as we go out with this survey there are ongoing discussions statewide about the full meaning of some of the guidance from the NJ Department of Education. We have a number of key questions submitted for clarification, the answers to which may impact our solutions. Nevertheless, it is important that we hear from our stakeholders now. .
