

Dear Parents/Guardians,

Flyers:

The link below is to our Title I Virtual Summer Packet. This is not mandatory for students to complete over the summer, but you may consider using this resource even though it is not required. The link is open to all students. This is an opportunity for students to practice high leverage skills in English Language Arts and Math over the summer months that will help them become better prepared when they enter their next grade level.

Items of interest:

We expect guidance from the state next week on the terms and conditions for reopening schools in the Fall.

Next week we will mail out the PK acceptance letters for those entering PK in the Fall.

This summer we will run all our summer programs virtually. This includes the Special Education Extended Year Program, 21st Century Academies and Academic Recovery/Enhancement, and Title III ESL.

We expect to bring in select students into PAC during the summer for Child Study Team testing and evaluation. This will be by appointment only.

Our food distribution will continue during the summer months details [here](#)
