

Dear Parents/Guardians,

Flyers:

None

Important Notices:

Monday, March 16, 2020 will now be an early dismissal day for students. We need the afternoon to sort out important issues with staff related to delivering instruction remotely. There will be no 21st Century program that day.

Please return your technology survey to us as soon as you can. We need to see where we need to provide devices and who might not have Internet access. This is important because we might be ordered closed at any point.

Coronavirus:

Events with the Coronavirus pandemic are happening very rapidly I will likely be sending these blasts out more regularly to keep up with the changing situation. As soon as tomorrow we may see additional guidance given to schools. I will pass along key information as it is received.

For now we are in overdrive getting ready to do instruction remotely. This may well be necessary if we have a contamination situation locally, or if the decision is made to close schools over a large area to prevent further spread.

We will be following the Governor's recommendation that there be no public events of greater than 250 people. We have canceled the PAE PTO Talent Show Friday night, and will impose this same restriction on outside groups using our facilities.

We will continue with the enhanced cleaning of our buildings.
