

Dear Parents/Guardians,

Flyers:

Freehold Boro Recreation will hold a modified, socially distanced, Easter Bunny Meet and Greet on Saturday March 27th at the Freehold Library. This is for toddlers through children up to 10 years old. Details in English and Spanish [here](#).

For families that live in homes built before 1978, there is the possibility that paint used in the home is lead based. If you have young children and see cracking or peeling paint, consider using one of the instant lead tests provided through Neighborhood Connections to Health. Details in English and Spanish [here](#).

Contacts:

District Social/Emotional Hotline: [732-810-3146](tel:732-810-3146).

District technology issues: [techstaff@freeholdboro.k12.nj.us](mailto:techstaff@freeholdboro.k12.nj.us)

Restart and Reentry for 2020-2021:

The district has 44.7% of students attending in-school hybrid instruction and 55.3% of students attending fully virtual instruction.

The district has 4 individuals isolated due to being COVID positive. The district has 29 individuals in quarantine as a result of being exposed to a person who is COVID positive.

With spring recess approaching, parents are reminded that those who travel outside of New Jersey and the four surrounding states (Connecticut, New York, Pennsylvania and Delaware) to any other U.S. state or territory are expected to self quarantine following travel. The period of quarantine is 7 days with a negative COVID test, or 10 days without a test. Those who have tested positive for COVID and who have recovered do not have to quarantine following travel if within three months of recovering. Those traveling internationally need to get a COVID test three days prior to returning to the U.S. Parents of in-school students can request their students be virtual for the 10 days following spring break if they have concerns about others who may have traveled.
