Items of Interest

Issues with district technology should be sent to: [techstaff@freeholdboro.k12.nj.us](mailto:techstaff@freeholdboro.k12.nj.us)

We have 15 school days remaining in this school year with the last three days as half days. We will remain on virtual instruction through the end of the school year.

We continue with plans for a virtual 8th grade graduation on Thursday, June 18th. We will be sending information to 8th grade parents this weekend, Monday at the latest, to outline and survey interest on additional graduation event options in July, per the Governor's announcement, and with the restrictions he has imposed.

Based on our current guidance, we plan on doing summer programs virtually. This includes 21st Century, Special Education Extended Year and Title III. We will not run the Title I program this summer. Instead we will save these resources for programs when we return to school.

Other than 8th graders, all students will keep their district issued computer devices through the summer. Returning students in 2020-2021 will collect their personal belongings and awards from this year when they physically return to school.

We are awaiting guidance from the Governor and the Department of Education on the terms and conditions to return to school in September. We are ready to continue on virtual instruction if need be.

Upcoming Events:

Mon, Jun 1: Food distribution 9am-12noon.

Mon, Jun 1: BOE meeting (virtual) 7pm

--

Tue, Jun 2: Free dinners 5pm-6pm from Fulfill at PAE parking lot
