

Dear Parents/Guardians,

Flyers

The Freehold Health Department will be running a vaccination clinic at the Park Avenue Complex for ages 5 and up on Thursday, November 18 from 5:30 pm - 7:30 pm and Saturday, November 20 from 1:00 pm - 3:00 pm in the Park Avenue old gym. Enter through door #5 the 'trophy case' entrance. They will have vaccine doses available for children ages 5-11 along with the adult doses for ages 12 and up. A flyer from the health department is [here](#), pre-registration is encouraged. If you need more information their phone number is 732-294-2060

A number of local community organizations continue to have opportunities to receive food for Thanksgiving. Flyer in [English](#) and [Spanish](#)

The Community Affairs & Resource Center has shared information on eviction prevention. Information in [English](#) and [Spanish](#)

Monmouth County has provided information on rental assistance in English & Spanish [here](#)

News

The winter season is upon us and so is the start of winter indoor athletic events. For home athletic events we are very excited to welcome back in person spectators for indoor meets including basketball and wrestling. At this time to control the number of people in the bleachers at the event we will limit spectators to two per athlete. Information will be going home from the Intermediate School regarding attendance at these events. All visitors will be required to wear masks in the building and will be required to adhere to any other procedures that may be in place during that time. We had an incredibly successful fall sports season and we are looking forward to the resumption of winter athletics this year.

Marking period one will come to a close this Tuesday, November 16th with grades entered into the Genesis parent portal ([link](#)) the following Tuesday, November 23rd. Parent/teacher conferences will be held Wednesday, November 17th in the evening in person, Thursday, November 18th in the evening virtually, and Friday, November 19th in the afternoon in person. November 17, 18, and 19 are all early dismissal days for students.

Regarding COVID there are currently 21 students in quarantine. There have been no known cases of in school transmission. The nursing staff has done an incredible job continuing to manage this process for the district.

Regards,

Joe Howe
