Restart and Reentry for 2020-2021:

For our Pre-Kindergarten and Kindergarten students, our new iPads are being shipped out from Apple and we hope to have them in the district next week. We will turn them around and get them out to our families as fast as we can. We will reach out specifically to those on the waiting list.

We have full connectivity and Chromebook devices for all our Grade 1-8 students.

Next Monday and Tuesday are early dismissal days. We will conduct our back-to-school nights in the evening, virtually. Details are being sent from the schools.

Next Monday and Tuesday afternoon we have set up to return student personal items that were in school, and to distribute other administrative and instructional items. Look for the plan details from your school.

Based on feedback from parents, we have expanded the time for meal pickup to 8am-12noon. Going forward we will distribute Monday, Wednesday and Friday in the rear of the Park Ave Complex by the cafeteria door. These breakfast and lunches are available to all students.

We continue to work on the issues that are keeping us 100% virtual. When ready to transition to our hybrid in-school mode, we will give parents at least three-weeks notice, possibly more.
