

Dear Parents/Guardians,

### Flyers

Information on the Monmouth County rental assistance program is available in English [here](#) and Spanish [here](#)

For parents and students in Grades 6-8 we will be holding a virtual information session on various specialized high school programs offered by Freehold Regional High School District and the Monmouth County Vocational School District. A session will be held in English at 6:30 pm and Spanish at 7:15 pm on September 30. A flyer on the information sessions is [here](#). A letter from the FRHSD on their program offerings in English [here](#) and Spanish [here](#)

### News

School is back in session and we hope your child had a good start to the school year. As a school community over the coming weeks we will continue getting back into the routine of full day in person instruction. During the next month teachers will be administering various diagnostic and benchmark assessments as they typically would to measure mastery and retention of prior year learning and as a baseline for progress for the year ahead. Teachers and administrators will be closely analyzing that data globally to help us determine any additional instructional support that may be needed as we resume a more normal course of instruction this year.

Regarding COVID we continue to work closely with the Freehold Health Department. There are currently ten students in quarantine. Two positive cases not in school, five close contacts, and three returning from international travel. There are currently no known cases of in school transmission.
