<td>All mandatory Title IA Reserve expenditures will be tracked separately using unique account numbers and descriptions in the district’s accounting software. Principals will meet periodically with district program/financial officers to ensure that they have spent their Reserve allocations.</td>
<td>During the initial application process for each year, the Title IA program and financial officers will determine required Reserve amounts for Title IA, including parent involvement, professional development, SES, and other reserves determined through the application process. Once Reserves are set, principals will align the Reserve amounts according to Unified Plans, and implement the grant as needed; Reserve amounts for district will be aligned to the DINI plan and implemented accordingly. Throughout the year, the program and fiscal manager will review accounts with principals.</td>
