## **School Hours**

PAE school hours are from 8:35 am until 3:10 pm. Walkers should NOT arrive earlier than 8:00 am unless:

- they are participating in the before-care program that runs from 7:20 am to 8:15 am
- they are attending a supervised school activity

The breakfast program begins at 8:15 am in the cafeteria.

Regular School Hours:

School	Program	Start Time	Dismissal
PAE	Grades 3-5	8:35	3:10

Early Dismissal Hours:

School	Program	Start Time	Dismissal
PAE	Grades 3-5	8:35	12:50

Delayed opening:

School	Program	Start Time	Dismissal
PAE	Grades 3 - 5	10:35	3:10

## **Students Left at School**

Students are expected to be picked up on time everyday at 3:10 pm. Students will not be permitted to wait outside by themselves for safety reasons. In severe cases such as if a child is not picked up after 30 minutes, the local police will be notified to locate the parent or guardian. Please contact the main office in case of emergencies to let us know you are running late. Any changes in dismissal need to be reported to the main office prior to 12:00 PM. Any person picking up a child early must be listed as a contact on the dismissal form. They will also be required to present ID, and sign the student out.

## **Attendance**

State law requires that all children from six to sixteen years of age must attend school regularly. Regular attendance is an integral factor in attaining success in school. However, a child should not come to school feeling ill. The school must be notified if a student will be absent for any period of time. If your child is absent because of a communicable disease or infection, please notify the school nurse as soon as possible. If the absence is for an extended period due to illness, a doctor's statement should be sent to the school. Please telephone (732) 761-2229 for

FLC or (732)-761-2184 for Park Avenue to report absences at any time prior to the beginning of the school day and leave a detailed message on the answering machine.

According to the New Jersey School Register, students can only be identified as:

- Absent
- Present
- Excused for religious holiday
- Home Instruction

\*\* All absences are unexcused with the exception of religious holidays. However, we ask that you send a note explaining the reason for the absence. We use the notes for our own record to assist us in making decisions on such things as promotion/retention, or whether to take legal action.

Excessive unexcused absences from school could result in a court action against the student and parents. According to the school laws of New Jersey all absences are unexcused except religious holidays as prescribed by N.J.S.A. 18A:3616.

Student attendance will be monitored closely to ensure they have the opportunity to succeed in school. We will adhere to the attendance procedures listed below:

- **First reminder** letter at **5 tardies/5 absences**.
- **Second reminder** letter at **10 tardies/10 absences** and meeting with the Principal
- **Third and final notification** letter at **15 tardies/15 absences** and an official complaint will be filed in order to comply with the State law.

### **Family Vacations**

We understand that there will be times when family vacations can only be scheduled while school is in session due to the nature of the parent/guardian's occupation; however, we strongly prefer children not to miss school for vacations if they can be scheduled during their school breaks. Days missed due to family vacation are UNEXCUSED and will be included in days missed. It is the parent/guardian's responsibility to notify the school of any absences. It is the student's responsibility to complete any missed work. Teachers are not required to prepare special lessons prior to the vacation. After the absence, the school staff will provide basic information regarding missed assignments. The student will receive an incomplete score if missed work is not submitted to their teacher.

### **Extended Student Absences**

Students that are absent for more than 10 Consecutive days will be de-registered. If a student returns to school then he/she will have to be re-registered. Proof of school during that absence may be sought. Students that miss too much work and do not show enough progress of material and skill mastery may be asked to repeat the grade.

### **Late Arrivals and Early Dismissals**

Late arrivals and early dismissals are as disruptive to the educational process as absenteeism. It is expected that each student will arrive at school on time (**8:35 am**). If there is excessive tardiness, a court complaint may be signed against the parent. ALL STUDENTS arriving **later than 8:35 am** must be issued a late pass from the main office. Please note that parents/guardians picking up their children are required to provide proper ID to office staff.

### **Half Days/Delayed Openings**

Dismissal time on half days is **12:50 pm**. In the event of a “delayed opening” due to a weather emergency, school begins at **10:35 am**. DO NOT DROP OFF STUDENTS BEFORE **10:10 AM** on a delayed opening.

### **Emergency School Closing**

In order to find out if our school is closed, please log onto our Website at: [www.freeholdboro.k12.nj.us](http://www.freeholdboro.k12.nj.us). School Messenger notification phone calls are also performed to let the parents/guardians know of any changes in dismissal and/or closings.

### **Emergency Practice Drills**

Our goal is to continue to provide a safe and secure environment that is conducive to learning for our students. In a continuing effort to prepare for possible emergencies, we will conduct unannounced practice drills.

Fire drills and Security Drills are each scheduled by law once a month. Procedures are outlined by each teacher. For safety reasons, students are expected to follow teachers’ instructions, exit the classroom in a single line, refrain from conversation, use assigned exits, report to the assigned outdoor area or remain quiet in a designated part of the classroom during a lockdown/shelter in place.

In the interest of safety and security, all doors will be locked from the outside after 8:35 am. Entrance will be through the front doors only. All visitors are to report to the main office to sign in and receive a visitor’s badge.

### **Electronic Surveillance in School Buildings and School Grounds**

In order to enhance safety and security, electronic surveillance systems are in use throughout the district. The content produced by the surveillance system under certain circumstances may be considered a student record and if so it will be subject to the Board of Education policy and regulation regarding confidential student records. If the content of the surveillance system becomes the subject of a disciplinary proceeding, it shall be treated like other evidence in the proceeding.

### **Flag Salute**

New Jersey State Law (18A:36-6) requires students to salute the flag and recite the Pledge of Allegiance daily. Students having objections to full participation will stand respectfully. Parents of these students are to notify the principal of their intent.

### **Affirmative Action/Discrimination**

The Freehold Borough Public School District will take whatever affirmative action is necessary to provide equal employment opportunities without regard to race, creed, color, sex, age, affiliation or sexual orientation, marital status or national origin and to ensure that all personnel actions such as recruitment, selection, placement, training, promotions, transfers, terminations, disciplinary actions and all benefits and compensation are equally applied.

The Freehold Borough Board of Education affirms its responsibility to ensure all students equal educational opportunity, regardless of race, age, affiliation or sexual orientation, color, creed, religion, sex, ancestry and national origin, place of residence within the district, social or economic condition or non-applicable handicap. A copy of the district's Comprehensive Equity Plan, district policies and grievance procedures are available in the district office.

Any employee who alleges that there has been an incident of discrimination or sexual harassment should report the allegation in writing to:

**Joseph Howe**

**On behalf of**

Affirmative Action Officer

Freehold Borough Schools

280 Park Avenue

Freehold NJ 07728

Telephone: (732) 761-2109

### **Bicycles**

Students may use bicycles as transportation to/from school. However, helmets are **required** and no bicycle is to be brought inside the building for any reason. Students are urged to secure their bicycles with a sturdy lock and chain. Freehold Borough School District assumes no responsibility for damage to or loss of a student's bicycle. Bicycles must be walked while on school property.

### **Lunch/Breakfast Program**

The district uses a POS (point of sale) system in the cafeteria. Instead of purchasing tickets or paying cash, you may have your cash/checks deposited into your child's account.

Note that while cash will still be accepted in the cafeteria, our hope is that many parents will appreciate the ease and convenience of prepaying for their child's lunch. As a parent, you can also choose whether your child can have unrestricted use of prepaid funds (meaning that they can purchase anything sold in their school's cafeteria) or if you prefer, you can restrict your child's purchases to "Lunch Only."

Please send in initial deposits directly to your school cafeteria. Note that we encourage you to send as large a \$ amount as possible, for your convenience...the larger the amount, the fewer times during the year you will have to remember to replenish your child's account. The cost of breakfast is free and lunch is \$2.40. Checks/Money Orders are made payable to "Freehold Borough School District."

### **Textbooks**

The Board of Education provides books free of charge for classroom work. Students are expected to be responsible for books issued to them. The books are on loan to students. Books are to be covered at all times and shall be kept free of writing or other markings. Students will be responsible for lost books and books which have been abused.

### **Lost and Found**

Unfortunately, during the school year many valuable items such as books and articles of clothing become misplaced. If your child loses any books or articles of clothing, have them check the Lost & Found. Valuable items such as watches, rings, money and keys must be turned in to the office.

### **What to do if?**

- **You have a school related problem:**  
Call the main office and your call will be directed to the appropriate personnel.
- **You want to confer with a teacher:**  
Call your child's teacher and leave a detailed message along with a phone number you would like to be reached. During the instructional day, classroom phones are picked up by voicemail so as not to interrupt teaching and learning. Teachers usually check their messages daily. You may also email your child's teacher.
- **You want to report your child's absence:**  
Please telephone (732)-761-2184 for Park Avenue at any time prior to the beginning of the school day and leave a detailed message on the answering machine.
- **You need to change your address or telephone number:**

Notify the office immediately; proof of residence will be required.

- **Withdrawal procedure:**

When a student is to be withdrawn from school, the parent/guardian should report to the office at least three days prior to the date of withdrawal. All obligations (fines) must be paid and all books returned before the school will release records to the parents or another school. You will not be permitted to “hand-carry” your official records to your next school. However, parents or legal guardians may have a copy of the student’s records. An official student withdrawal can be carried out only by a parent or legal guardian.

- **You want a message delivered:**

Only emergency messages will be delivered to students. In case of an emergency, contact the main office and the message will be conveyed to the student.

- **Your child has left something at home:**

Deliver it to the school office. You will be asked to place the item(s) in the drop box, and a secretary will give it to your child. Please make sure all items are labeled with the child’s name.

### **Yearbook**

An annual yearbook is published which showcases the 5<sup>th</sup> Grade. Coordinated by staff teachers, students in grade 5 are eligible to be part of the student committee to help compile the yearbook.

### **Field Trips**

Throughout the year students may participate in field trips. These trips into the community are a valuable part of an educational experience. The same rules of conduct that are required in school are enforced on these trips. Extra care and caution on field trips are necessary because of the different environment. Parents will be informed of all field trips. A completed parental permission form must be on file in order for a student to participate in a school field trip. A bagged lunch must be provided if requested.

### **Food**

To young children a birthday is the biggest event of the year. Many parents like to include as part of the celebration a non-food treat for school friends. If so, they are asked to make advance arrangements with the child’s teacher and are requested to provide items for all students in the class. Some parents have “celebrated” by allowing their child to donate a book to the classroom library. Please remember that students are not permitted to bring any food items to school that would be distributed to the class.

### **Student Council**

All students in grades 4-5 have the opportunity to participate in the student government body of the school. Campaigning, filing of petitions, an assembly and elections take place in the fall. A President, Vice President, Secretary and Treasurer are elected from the 4<sup>th</sup> and 5<sup>th</sup> grade classes. Two representatives are also selected from each 4<sup>th</sup> and 5<sup>th</sup> grade classroom. Students participate in and support such school events as Dr. Seuss's birthday celebration, school spirit days and other community outreach programs.

### **Election procedures:**

1. Student nominees must be a representative or alternate of the student council.
2. Student nominees can only be nominated by themselves or other class representatives in the student council.
3. Students must write a speech telling why they would like to be an officer.
4. Speeches must be read by the student council advisors prior to speech presentations. ONLY approved speeches given.
5. Students may hang up posters, pending the approval of the student council advisors.
6. Posters may not contain inappropriate language or figures (including real political leaders).
7. Students of the designated grades may only vote one time and should not discuss their votes with each other.

### **Parent/School Communication**

Education does not begin and end with the start and finish of the school day; it is an ongoing process in which both the school and the parents play important roles. When parents have a positive attitude toward school, students will most likely mirror that same positive attitude.

There are many ways parents can be effective partners with the school. One strategy is to stay involved in school activities throughout your child's school years. Helping your child master and reinforce some of the skills learned in school is an equally important strategy.

Parents also act as partners with educators when home activities are used to reinforce academics and by responding promptly to school communications.

Active involvement in the PTO is another excellent avenue through which to show your interest in your child's school experience.

We look forward to working together with you to expand your child's knowledge and to help him/her understand himself/herself. Please join us in expressing interest, giving support and encouragement and building a positive self-concept.

### **Guidance**

Counseling is available on an open-door basis if a student has a pass from his/her teacher. Students who are experiencing personal or school-related problems are encouraged to make an appointment with the guidance counselor. The counselor welcomes new students, helps students

with organization and study skills, conducts guidance activities and supports teachers and parents. Parents are also encouraged to call the school counselor at (732)-761-2110 if they have any concerns regarding their child's program and/or progress.

### **Back to School Night**

Back to School Night is an opportunity for parents/guardians to meet the staff and to become acquainted with school programs, expectations and procedures.

### **Report Cards**

Report cards will be available on Genesis four times during the year for students in grades 3-5; November, February, April and the last day of school.

Students in grades 3 through 5 receive a percentage grade based on the following keys:

A+ = 97-100  
A = 94-96  
A- = 90-93  
B+ = 87-89  
B = 84-86  
B - = 80-83  
C+ = 77-79  
C = 74-76  
C- = 70-73  
D+ = 67-69  
D = 65-66  
NP = 50-64

### **Conferences**

Formal parent conferences are held twice during the school year. Conferences are scheduled for November and March. Parents/Guardians will schedule their own conference times via the Genesis Parent Module. You may arrange for an additional conference as needed, at a time mutually agreed upon by you and your child's teacher. If parents decide not to use Genesis, the teachers will schedule the conference.

### **Visitors**

Please use only the Main Entrance to enter the school. These doors are locked during the school day. To enter the building, one must press the button next to the door and be buzzed in. ALL persons must report to the school office upon entering the building. For our students' safety, anyone walking through the school MUST wear a visitor's or volunteer's badge

## **Academic Expectations**

Report card grades indicate what the student has done, how well he/she has progressed and how much he/she has learned. Every student is expected to:

- Work to the best of his/her ability.
- Bring and/or use properly any necessary materials, notebooks, writing instruments, tests, etc.
- Display an eagerness to learn and a positive approach to work.
- Participate actively in daily lessons.
- Direct all attention to the lesson.
- Prepare all assignments promptly, accurately, completely and neatly.
- Prepare thoroughly for tests.
- Seek extra help/assistance whenever necessary.
- Cooperate with the teacher at all times and follow directions.

## **Family Educational Rights and Privacy Act (FERPA)**

The district remains strictly compliant with the requirements of the Family Educational Rights and Privacy Act (FERPA). FERPA affords parents certain rights with respect to their pupil's education records. FERPA gives parents the right to inspect and review the pupil's education records within forty-five days of the day the school district receives a request for access, to request an amendment(s) of the pupil's education records the parent believes are inaccurate, and to consent to disclosures of personally identifiable information contained in the pupil's education records, except to the extent that FERPA authorizes disclosure without consent. FERPA permits disclosure of pupil records without consent if the disclosure is to school officials with legitimate educational interests. FERPA permits the school district to disclose education records without a parent's or adult pupil's consent to officials of another school district in which a pupil seeks or intends to enroll. FERPA precludes the district from providing information about other students with whom a parent/guardian's child may have had an interaction (e.g. knowing what discipline may or may not have been imposed on another student.)

## **Health Services**

Marta Horvath is the school nurse at Park Avenue. She can be reached at (732) 761-2427. If a child feels ill or is injured, a teacher will send the child to the nurse's office for attention.

The Freehold Borough School District's health policy was developed in conjunction with the District's school physician. In the interest of student health:

1. No child shall be permitted to attend school after illness unless they have been without fever or other signs of illness for 24 hours.
2. If a student's private physician has taken a throat culture, it must have been read as negative (no strep throat) before the child can return to school. Students will not be admitted pending results of throat cultures.

3. If a student has strep throat, treatment must have begun at least 24 hours before returning to school for the student to be considered not contagious

The district has a qualified School Nurse in each building. Students may be referred to the school nurse's office for illness and/or injuries that occur during the school day. The nurse will assess and treat students consistent with the district's board-approved standing orders for medical care. Notification to parents of student visits to the nurse will only occur if the injury or illness is of a serious nature where a physician's follow up is required. Parents/guardians requiring more frequent or detailed notification of nurse visits should state their needs in writing to the school principal.

### **Medication**

At no time during school hours should students have medication in their possession. This includes aspirin, vitamins, cold medicine and other over-the-counter preparations. All medications must be kept in the nurse's office. These medications must be kept in the original container and be accompanied by written permission and directions from the parent/guardian and physician. You may reach out to the school nurse via phone or email if you have questions or concerns.

### **Immunizations**

Students registering in the school district must be in compliance with the New Jersey State Immunization Law (N.J.A.C.857-4:16) for D.P.T., Polio, Varicella, Measles, Mumps and Rubella, Hepatitis B. State Law also requires a 10-year DPT Booster. . All preschool students are required to show proof of an influenza vaccine on a yearly basis by December 31.

### **Screenings**

Health screenings will be conducted annually by the school nurse. Screenings include: height, weight, vision, hearing and blood pressure. Scoliosis screenings will be conducted on students in 5<sup>th</sup> grade. Referrals will be sent to the parent/guardian as required.

### **Administering Medication on Field Trips**

Students are in the care of their teachers and parent chaperones while away from school property and we want their experience to be enjoyable and safe. Your child will be coming home with a Field Trip Permission Form prior to the trip's date. We must ask you to ensure their well being by signing the form and completing all of the requested information. The information you provide us will update school personnel regarding medical needs, medication or allergy symptoms specific to your child, which would impact them during the trip. We may ask that you accompany your child on the field trip, especially if medications or special treatments cannot be delayed. As this is not always possible, prompt return of this form to your child's teacher will enable your School Nurse to have the time to plan ahead to meet any special needs. Our District

policy mandates that signed completed Field Trip Permission Forms be returned to your child’s teacher prior to attending a field trip. No students will be permitted to join the fun on the field trip without submitting the Field Trip Permission Form.

**Student Code of Dress**

The board of education, supported by court rulings, upholds its right to impose student dress codes that prohibit immodest or suggestive clothing, dress that would create a disturbance or distraction, and clothing that is unsanitary or creates a health hazard. Students are prohibited from wearing clothing that contains obscenities, or leaves the students scantily clad. Clothing that conveys messages that are obscene, vulgar or refer to alcohol or illegal substances are prohibited. This restriction on student speech will be imposed only where there is a well founded expectation of disruption to the educational process or on the legitimate rights of other students or staff.

In accordance with N.J.S.A. 18A: 11-90, the board of education prohibits students from wearing, while on school property, any type of clothing, apparel or accessory which indicates that the student has membership in, or affiliation with, any gang associated with criminal activities.

- Share responsibilities when working in a group

Board of Education policy in accordance with the laws governing public education in this state, specifically **Title 18A:37-1**, requires each pupil to comply with the rules and regulations established for each school. Each student is expected to pursue the prescribed course of study for which he/ she is enrolled, and shall submit to the authority of the teacher (or other staff member)

as specified in **Title 18A:25A:25-2**, with each pupil being held accountable for his/ her behavior during scheduled school hours as well as on the way to and from school.

New Jersey Law **N.J. 18A:37-2** states: "Any pupil who is guilty of continued and willful disobedience, or of open defiance of the authority of any teacher or person having authority over him, or of the habitual use of profanity or obscene language, or who shall cut, deface, or otherwise injure any school property, shall be liable to punishment and to suspension or expulsion from school."

- Willfully causing, or attempting to cause, substantial damage to school property

Each action carries with it a certain number of points as detailed below (see *Point System*)

## **HARASSMENT, INTIMIDATION AND BULLYING**

### **Consequences and Appropriate Remedial Actions**

The Board of Education requires its school administrators to implement procedures that ensure both the appropriate consequences and remedial responses for pupils and staff members who commit one or more acts of harassment, intimidation, or bullying, consistent with the code of pupil conduct. The following factors, at a minimum, shall be given full consideration by school administrators in the implementation of appropriate consequences and remedial measures for each act of harassment, intimidation, or bullying by pupils. Appropriate consequences and remedial actions are those that are graded according to the severity of the offense(s), and consider the developmental ages of the pupil offenders and pupils' histories of inappropriate behaviors, per the code of pupil conduct.

### **Factors for Determining Consequences**

1. Age, developmental and maturity levels of the parties involved;
2. Degrees of harm;
3. Surrounding circumstances;
4. Nature and severity of the behavior(s);
5. Incidences of past or continuing patterns of behavior;
6. Relationships between the parties involved; and
7. Context in which the alleged incidents occurred.

## **Factors for Determining Remedial Measures**

### **Personal**

1. Life skill deficiencies;
2. Social relationships;
3. Strengths;
4. Talents;
5. Traits;
6. Interests;
7. Hobbies;
8. Extra-curricular activities;
9. Classroom participation; and
10. Academic performance.

### **Environmental**

1. School culture;
2. School climate;
3. Pupil-staff relationships and staff behavior toward the pupil;
4. General staff management of classrooms or other educational environments;
5. Staff ability to prevent and manage difficult or inflammatory situations;
6. Social-emotional and behavioral supports;
7. Social relationships;
8. Community activities;
9. Neighborhood situation; and
10. Family situation.

Consequences and appropriate remedial action for pupils who commit acts of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as set forth in the Board adopted Pupil Discipline/Code of Conduct pursuant to N.J.A.C. 6A:16-7.1. Consequences for a pupil who commits an act of harassment, intimidation, or bullying shall be varied and graded according to the nature of the behavior, the developmental age of the pupil and the pupil's history of problem behaviors and performance, and must be consistent with the district's code of pupil conduct. Remedial measures shall be designed to correct the problem behavior, prevent another occurrence of the problem, protect and provide support for the victim of the act, and take corrective action for documented systemic problems related to harassment, intimidation, and bullying. While submission of an Incident Report Form to the Principal or designee is not required, the reporting party is encouraged to use the Incident Report Form available from the Building Principal or available at the school district's administrative offices or the reporting party may use a district's web-based reporting system. Oral reports shall also be considered official reports. Reports may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report.

A school employee who promptly reports an incident of harassment, intimidation, or bullying in accordance with this Policy, and who makes this report in compliance with the procedures set forth in this Policy, is immune from a cause of action for damages arising from any failure to remedy the reported incident, as set forth in N.J.S.A. 18A:37-16.c.

The Principal or designee is responsible for determining whether an alleged act constitutes a violation of this Policy. Other acts may be so serious or part of a larger pattern of harassment, intimidation, or bullying that require a response either at the classroom, school building or school district level or by law enforcement officials. Consequences and appropriate remedial actions for pupils who commit an act of harassment, intimidation, or bullying may range from positive behavioral interventions up to and including suspension or expulsion, as permitted under N.J.S.A. 18A:37-1, Discipline of Pupils and as set forth in N.J.A.C. 6A:16-7.2, Short-term Suspensions, N.J.A.C. 6A:16-7.3, Long-term Suspensions and N.J.A.C. 6A:16-7.5, Expulsions. The school district's responses can range from school and community surveys, to mailings, to focus groups, to adoption of research-based bullying prevention program models, to training for certificated and non-certificated staff. The district's responses may also include participation of parent(s) or legal guardian(s) and other community members and organizations, small or large group presentations for fully addressing the actions and the school district's response to the actions, in the context of acceptable pupil and staff member behavior and the consequences of such actions, and the involvement of law enforcement officers, including school resource officers. ## **Discipline Policy**

*Consequences are a natural result of inappropriate behavior. They will be assigned at several levels, starting with the teacher handling the first level, depending on the nature of the offense. Subsequent offenses can lead to a disciplinary office referral. Should a student receive a referral, the consequences may include an office detention, parent conference, in-school suspension, out-of-school suspension, or other appropriate actions.*

**IN ALL CASES, THE PRINCIPAL'S JUDGMENT WILL BE EXERCISED IN IMPLEMENTING CONSEQUENCES STEMMING FROM DISCIPLINARY OFFICE REFERRALS. THE PRINCIPAL RESERVES THE RIGHT TO REQUEST A REVIEW OF THE CONSEQUENCES WITH THE SUPERINTENDENT.**

***If a pattern of disciplinary issues develop, it may result in the following ADMINISTRATIVE actions:***

- Telephone call/ contact is made with parent and/or guardian
- School counselor is advised and appropriate counseling action taken
- Matter referred to District Child Study Team (if applicable)
- Parent conference is scheduled with Principal
- I&RS (Intervention & Referral Services) referral made and conference held
- Loss of extra-curricular privileges and a mandatory hearing with student, parent, and I&RS Team to design a Behavior Improvement Plan. Within this plan, the student will be under contract with specific BEHAVIORAL GOALS. Compliance with the terms of the contract will reduce student's points and possibly earn back privileges.

### **DISCIPLINARY CONSEQUENCES**

Students have a fundamental right to a free public school education. Along with this right is the corresponding responsibility to join with other members of the school community in respecting one another. Students also have the right and responsibility to live by the rules of law while being entitled to equal protection under the law. It is the obligation of each student to obey school regulations and school authorities who enforce them. Therefore, the Freehold Borough School District has established standards for acceptable student behavior. To assist students in choosing appropriate behavior, the disciplinary consequences for a given infraction are listed below:

- (a) lists the possible actions for the First Offense;
- (b) for the Second Offense and
- (c) for the Third Offense or More.

**Each situation is unique and may result in more severe penalties as determined by the school administrator and/or his/her representative.**

**Note: The School Administration reserves the right to offer parents the opportunity for their child to serve school and/or community service as a disciplinary action in place of, or in addition to, consequences rendered.**

In the event there are unanticipated school closings for snow or other emergencies, three days have been added to the calendar for a total of 183 days. If any or all of these extra days are not needed, then the last day of the school year will be adjusted such that students will only attend 180 days of school. If it is necessary for additional days beyond what is built into the calendar due to snow or other emergency closings, the required days will be added to the end of the school year through June 30. If more emergency closing days are needed beyond June 30, school will be open in the following order: April 22, 21, 20, 19, 18. In any scenario, the last three days that schools are in session will be half days for students.
