

Park Avenue Elementary 2010-11 Year End NLCB Goal Progress Update

2010-11 Building Goals Update

School Vision

We will become a model school for demonstrated, individual student growth by implementing a parent and community partnership program in which all constituents do their best to foster independent, respectful, and hardworking students.

School Mission

To never do less than our best in providing our students with a respectful and challenging learning environment that accommodates their individual learning needs and exposes them to opportunities in life so they can experience growth and success.

2010-11 Building Goals

1. Achieve at least a minimum of a 3 out of 5 on a spring writing prompt.
2. Increase of at least 1 reading level from their fall to spring district-based reading assessment.
3. At least 80% mastery of basic math facts on spring grade level administered math fact assessments.
4. School staff will regularly communicate with all parents, but, more specifically, with the parents of our most at-risk students and who were identified as in need of improvement in the area of parental support of their child's education.
