Freehold Borough Public Schools
Anticipated Vacancies 2013 – 2014

3 School Webmasters
(1 per school)

July 1, 2013 – June 30, 2014

Position requires familiarity with or willingness to learn Schoolwires design platform.

Webmasters will support the School Principals in providing a current and up-to-date school webpage. Additional duties may include professional development/mentoring to other teachers for Schoolwires on an as-needed basis.

Additional duties may be assigned by administration on an as-needed basis.

Stipend of $1500.00

*Please note: This is a separate position from the Technology Implementation Mentor (TIM), but does not preclude a TIM from applying for the position of Webmaster.

Qualified applicants should send a letter of interest to:

Jennifer A. Donnelly, Supervisor of Instructional Technology & Assessment
